## First Selectman's Corner

Hot, Hot, Hot! This has been a summer to remember, with so many days above 90 degrees. Crystal Lake Beach has been incredibly busy - the decision to start the season on Memorial Day weekend was a good one, and residents have been enjoying the sun, sand, and sailing ever since. A big "THANKS!" goes out to the Park and Recreation Department, their lifeguards and the rest of their dedicated staff.

Speaking of Crystal Lake, I have been attending the Crystal Lake Association meetings. I am immensely impressed by this group's dedication and energy as they tackle the many issues that come along with keeping a lake community healthy. Their numerous responsibilities include maintenance of the dam, cleaning up the shoreline, and the continuing removal of Milfoil (a serious aquatic weed that will ruin a body of water in no time). These are important, but often thankless tasks; our community is lucky to have an organization committed to maintaining the wellbeing of such an important Town resource!

Resident State Troopers' Office Supervisor, Sgt. Brian Santa, has established a satellite center up at Crystal Lake in the Old Crystal Lake Schoolhouse in order to ensure that residents of the lake have the security and comfort of a police presence close at hand. I hope that people stop by to introduce themselves.

The Ellington Farmers' Market at Arbor Park has been quite busy. Once there, shoppers are delighted to discover live music and over 40 vendors selling fresh, local produce and much more. The Market takes place every Saturday from 9 am - noon, and continues through October 22, so make sure you stop by to stock up!

In the evenings, when the weather cooled, many residents returned to Arbor Park for the outdoor concerts in June, July and August. Attendance was terrific, and it was wonderful to see such a great use of the grounds!

Sgt. Santa wants to remind residents that there is a prescription drug drop-off box located at the Police Station at 33 Arbor Way. Please feel free to make use of this free and confidential service.

One of the projects that I have been working on is improving and adding to the walking trails in our Town.

## Events presents... KLOTER FARMS

L to R: Peter Welti, Jason Kloter, Dave Schneider

### Satisfaction Guarantee

Just as it was in 1980, it is our goal to provide our customers with the highest quality products, at the very best price possible. We want your experience to be so memorable that you'll tell all of your friends and family about Kloter Farms. Service and taking care of our customers is always our number one priority.

### Partnership Is Our Promise To You

We acknowledge that a partnership exists between you the customer, and all of us here at Kloter Farms. When we talk about "customer" inspired, we mean it. We believe that craftsmanship is about building furniture and outdoor structures with attention to detail, integrity and passion. So much of what we do is custom, so talk to us. Tell us what you need. Together we can make it happen.

### Come to Kloter Farms!

We welcome you into our family...a community comprised of people who care deeply about what we do and how we impact others. It is our sincere desire to serve you to the best of our ability. This is not your typical retail environment. We are content to be different, because we trust that when you experience the Kloter Farms difference, you'll be content too.

## SELECTMAN'S CORNER ... continued from page 1

One such trail starts at a Pinney Street location and goes all the way over to the Vernon line to meet up with the Vernon trail. This is a great opportunity that people should take advantage of. A good trail system needs a good team of volunteers, so we are looking for just that to help maintain our trails, as they are still a work in progress. Please be in touch with me at the Town Hall if you are interested in helping out!

Democrat Leo Miller, who sat on a number of boards at the Town Hall for many years, retired this year from his position as a Selectman. Leo played a big part in the many decisions that were made at Town Hall over the years, and everyone is sad to see him go, but we wish him the best as he moves on. On a personal note, I would like to thank Leo for his incredible support during the past election, and let him know how appreciative I am of his service to our town.

The Board of Selectmen is pleased to welcome Aaron J. Foster, who was appointed to complete Mr. Miller's term.

Doris Crayton, the Director of Human Services, will also be retiring in September. Doris has provided the town with 26 years of committed service. Doris is a well-respected, hard-working and effective employee, providing the highest level of

service to our residents. Through her leadership skills, strong principles and compassion, Doris has nurtured the growth and development of the Human Services Department to a multi-social services agency. She will be sorely missed.

Residents may have noticed the presence of Public Works employees on several roads in Town. They are reclaiming and resurfacing these roads and are doing their very best to minimize inconvenience to residents as they complete their work.

It seems like the farmers just finished planting, and now they are already harvesting. As you drive around Town, you will notice fields filled with corn, pumpkins, hay, and tobacco – how lucky we are to have this agricultural base in our community.

Make sure to visit Johnny Appleseed's stands in the near future, as they have a great crop of vegetables and apples in the orchards. Enjoy the field of sunflowers near Oakridge Farm, and be proud of the farmers who toil away on heated summer days, as the results of their hard work frames the summer-time beauty of this great town.

# Assessor's Office

## ASSESSOR'S MAPS AND DATA

Ellington's maps are available online at [Ellington-ct.gov](http://Ellington-ct.gov); search Assessor's Office. There is also a link to the Vision Government Solutions website for Assessor's field card information.

## BUSINESS PERSONAL PROPERTY

Personal Property declaration forms will be mailed in September. Horses and unregistered motor vehicles are considered Personal Property and must be declared. Forms must be completed and returned to our office by November 1. Failure to report business personal property by November 1 will result in a 25% penalty.

## FARM, FOREST & OPEN SPACE

Applications for classification of farm, forest or open space must be submitted to our office between September 1 and October 31. If the ownership of the property has changed, a new application must be submitted in the new owner's name during this period to receive the classification.

## TAX EXEMPTIONS

**Veterans:** To qualify for a veteran's exemption an individual must have served during a war or recognized military conflict

and been honorably discharged. Discharge papers (DD214) must be filed in the Town Clerk's office by September 30.

**Active Member of Armed Forces:** Any active member of the armed forces may be eligible for an exemption. An application must be filed by December 31 of the current tax year to receive an exemption for a motor vehicle.

**Disabled or Blind Exemption:** Qualifying persons should file for blind or social security disability exemptions before October 1.

**Ambulatory Vehicles:** Any owner of a motor vehicle that has been specially equipped to accommodate a handicapped driver or passenger may be eligible for a handicapped exemption.

Please contact us at 860-870-3109 for additional information on any of the above mentioned items, or visit the Assessor's page on the Town website at [ellington-ct.gov](http://ellington-ct.gov).

# Rescue Post

Ellington Rescue Post 512  
 Tonya Glomboske, Advisor  
 Ellington Volunteer Ambulance Corps

The Ellington Rescue Post 512 participated in "Boxes of Hope" from July 15 through 17 to raise awareness of homelessness and those less fortunate. The Rescue Post members constructed a "Box City" on the front lawn of the Ellington Volunteer Ambulance Corps building at 41 Maple Street. The Rescue Post 512 members lived in the boxes for the weekend, without the comforts of home, in 90° heat. Residents were asked to donate non-perishable items to the "Box City" and the generosity of Ellington residents was impressive. The items were then donated to the Ellington Food Bank. Doris Crayton, Human Services Director, and her staff were appreciative of the donations as they work hard all year to assist Ellington residents in need.

Some people, including First Selectman Lori Spielman, stopped to visit and not only donated to the cause, but also brought the members fresh food and cold drinks. The Rescue Post members

not only helped their community, but they also learned to appreciate what they have in life, because they realized that they do not know what tomorrow may bring. The event was a great success and the Rescue Post 512 members are looking forward to holding it again next year. Thank you to all who donated and participated! # Ellington Farmer's Market

## Late Summer and Fall Season

**Dianne Trueb, Market Master**

**Email:**

**ellingtonfarmersmarket@gmail.com**

**Website: ellingtonfarmersmarket.com**

The Ellington Farmers' Market has a great late summer and fall line-up in store. Beginning with a Kids Identification Day on August 27 and ending with the popular

Halloween Pet Parade on October 22.

In between you can enjoy events like Salsa Saturday, Apple Festival, Fall Harvest Drag Race and more. You will be able to enjoy some great bands including Grass Routes Bluegrass Band, Stray Dogs and Root Farmers. The weekly theme and entertainment schedule can be found on Farmers' Market website where you can also sign up for the weekly newsletter.

In addition to 40 vendors bringing a wide variety of farm products including produce, beef, pork, poultry, dairy and eggs, baked goods, specialty food items, bath and body products and artisan wares, the

market sponsors two programs. The Kids Power of Produce Club empowers children to make healthy food choices. Children learn where their food comes from and receive a \$2 token to purchase fresh produce. The market also doubles SNAP dollars up to \$20 per week. Purchase \$20 of SNAP tokens with your EBT card and receive \$40 to shop at the Market. The Market takes place in the quaint setting of Arbor Park on Saturday mornings from 9-12. The winter market begins November 19 from 2:00 pm to 4:00 pm at the YMCA, 11 Pinney Street, Ellington.

## Ellington CERT

**Community Emergency Response Team**

**John Streiber, Deputy Emergency Management Director**

Ellington CERT (Community Emergency Response Team) is a volunteer entity comprised of individuals from all walks of life. Who are some of these people? You might be surprised that any of the following persons is a CERT member: a fellow student, your neighbor, a local store cashier, Fire fighters, retired persons, EMTs, secretaries, cooks, teachers and many more. CERT members are trained to respond in the event of a disaster. Would you like to be trained for a disaster – specifically, how to help yourself, how to help your neighbors and how to help

your community? Interested? For more information, email John Streiber [jstreiber@ellington-ct.gov](mailto:jstreiber@ellington-ct.gov) or call 860-870-3182 or 860-918-3112.

# Ellington Wall of Honor Inductee ~ Alfred E. Schindler

At the July 11, 2016 meeting of the Board of Selectmen, Alfred E. Schindler was selected to be inducted to the Ellington Wall of Honor.

Mr. Schindler has been a resident of Ellington for over 60 years. He practiced the profession of surveying for 48+ years, owning his own business in Ellington from 1963 to 2002. A majority of Mr. Schindler's surveys were done for the Town of Ellington and its residents. He is the author of "Surveying: The World's Second Oldest Profession?" Mr. Schindler made many contributions to the Town of Ellington, and one very special project is the publication in 1985 of the Ellington Proprietor's Map, a joint effort with Dorothy Cohen. The map shows how the land within the Town of Ellington was originally divided among the first land owners and is the basis for all subsequent land transfers. A copy of this map hangs in many places throughout Town and it holds a prestigious place in the Office of the First Selectman. Mr. Schindler shared his knowledge and talent at the state and national levels in the surveying profession and has served as a mentor to countless up and coming surveyors throughout his career. Mr. Schindler's many contributions to the Town of

Ellington are too numerous to list. A formal induction ceremony will be held on Saturday, September 10, 2016 at 4:00 pm at the site of the Wall of Honor located in Arbor Park [off of Main Street]. The public is encouraged to attend. Photo by Fred Bird Photography.

## Ellington Historical Society

Archaeological dig on museum grounds

Nellie McKnight Museum

### NELLIE MCKNIGHT MUSEUM

Have you ever wondered about the building at 70 Main Street? This 1812 Federal-style house was the home of Nellie McKnight, local historian and librarian at Hall Memorial Library. Nellie left her home to the Ellington Historical Society to promote and share local history. Our museum features items from the McKnight family and other families in Town depicting life and history in Ellington.

Our annual events include a flea market and bake sale in May, an open house as

part of the statewide CT Open House Day, a day at the Farmer's Market in Arbor Park with a wash tub, rug beater and butter churn for kids to try their hand at some traditional jobs, school visits and an open house as part of the Town Winterfest celebration in December. Our meetings are held six times a year at Hall Memorial Library and feature a historical program sponsored by the library. Our September 22 meeting will feature author Daniel Sterner discussing his book "Vanished Downtown Hartford."

The Nellie McKnight Museum is open for the season. Hours are 1:00-4:00 pm on Thursday afternoons every week until the end of September. Docents are on hand to give tours and admission is free. Our website is [www.ellingtonhistsoc.org](http://www.ellingtonhistsoc.org). Contact us through the website or by calling 860-875-7160 for further information.

We are always looking for new members to help us present our rich town history. Stop in at one of our meetings or come for a tour of the museum-you just might want to join!

## RECREATION NEWS

A note from the Recreation Director, Bob Tedford  
It will be late August as you read the new 2016 Parks and Recreation Fall program outline, and we hope there is something for everyone! In addition to a schedule of team and individual sports, you will find a number of passive recreation opportunities, day trips, and pre-school programs. Please feel free to use the various facilities as well, including the track at the Goldie Spielman complex adjacent to Ellington High School (EHS), the tennis courts at Schwartz Park, adjacent to EHS, the exterior basketball and volleyball courts at Brookside Park, and the always popular children's playground at Brookside Park. Volunteers are the mainstay of any community and the Town of Ellington is very fortunate to have such a large segment of Town residents who devote numerous hours toward making the Town an enjoyable community to reside in. Please feel free to contact me: [rtedford@ellington-ct.gov](mailto:rtedford@ellington-ct.gov) if you have any new program ideas, or questions in general about Town programs and/or policies.

## GENERAL INFORMATION

### PROGRAM REGISTRATION PROCESS

The Parks and Recreation Department has a registration process for all recreational programs/camps through our Activenet On-Line Program. The process for online registration is easy and convenient for all. The process involves following these simple steps:

- Go to [parkrec.ellington-ct.gov](http://parkrec.ellington-ct.gov)
- Click blue button on bottom Activenet Registration
- Select "Sign in" if you have an account or select "Create an Account" to set one up

It is imperative that an adult household member set up the family account. The advantage to setting up an account is the convenience of registering for recreational programs and camps at your leisure. You will need an e-mail address to set up your account, a password, and dates of birth for all family members. (Remember to add family members to your account). If you don't have access to a computer, we can assist in setting up your account at the Recreation Office during regular office hours.

In-office online registration allows you to pay by cash, check or charge with no convenience fee being applied to your credit card. Note: there is a convenience fee applied to your credit card when registering at home. We reserve the right to limit class size and to cancel classes that do not meet minimum requirements. Ellington residents are given preference for all programs during the first week of registration. If you have any questions or problems, please contact Mary Bartley, Assistant Director of Recreation. In the event of inclement weather, the Parks and Recreation Department will list program cancellations on television. Tune in to Channels 3, 30 and 8 to check if there is a cancellation. Cancellations will be listed under "Ellington Recreation Department."

### **PICKLEBALL**

An informal Pickleball program will be available, both outdoors (while the weather is supportive!) and indoors at the Windermere School. Pickleball is a cross between tennis, badminton and ping pong. Players use oversized ping pong paddles and a wiffle ball that moves slower than a tennis ball. The game is played on a badminton-size court that is divided by a 34-inch high net and the size of the court makes playing the game easier for baby-boomers and active seniors. Pickleball can be played as a singles or doubles game. For questions, to register or show your interest, please email [recreationstaff@ellington-ct.gov](mailto:recreationstaff@ellington-ct.gov) with your phone and mailing address or call 860-870-3118. Register online through Activenet.  
Fee: \$5.00  
Dates: September 13, 20, 27; October 5, 12, 19, 26; November 2, 9  
Time: 5:30 pm-7:15 pm  
Code: PICKLE.F16  
Location: Windermere School, 2 Abbott Road

## **TRAVEL AND RECREATION BASKETBALL INFORMATION**

Boys and Girls Grades 5-8

Evaluation Dates October 19 through November 3, 2016

Dates and Times will be posted on website. To be eligible for selection a player must attend a minimum of 2 tryouts.

Travel Team Tryout Policy: The Travel Teams will be registered for boys and girls in grade 5, 6, 7 and 8 provided enough players are registered to provide recreation division teams. A player selected to a travel team may choose to play on a recreation team as well, but is not required to play both.

Parents: If a decision is made to have your child compete on both a recreation and travel team, please keep in mind that the participating player must complete his/her commitment to the recreation team. Failure to do so may result in removal from the travel team. Consider the weekly practice schedule along with the game schedule before making a final decision. The deadline is December 1, 2016.

\*Fee includes Board Officials, Timers, Scorers and Custodial Services. Plus each player must submit a separate check to the Coach in the amount of \$25 for the uniform. The Coach will return the check once the complete uniform is returned at the end of the season.

Rec Team registration fee is \$75. If a child is selected to a Travel Team, the additional fee of \$120 will be collected after notification from the Coach, prior to the first practice. An updated schedule will be distributed through the public schools, media outlets and the Recreation Department website at [parkrec@ellington-ct.gov](mailto:parkrec@ellington-ct.gov).

We have many wonderful programs for all ages. Go to our website for a complete list of programs and information. Youth Services is here to support and assist children and their families from birth to 18 years old. Youth Services provides programs that strengthen and develop life skills needed to succeed in the many challenges facing the youth today.

### CIRCLE OF SECURITY- PARENTING SERIES

At times all parents feel lost or without a clue about what their child might need from them. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security Parenting program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Presented by Michelle Cantania, LMFT and Sponsored by Ellington Youth Services

Location: 31 Arbor Way

Dates: Wednesdays, September 21 through November 16

Times: 7:00 pm to 8:30 pm

Who should attend: caretakers, parents and teachers of children 0-5 years old (although only one parent at a time from a 2-parent household should attend; another series will be scheduled in future if interest warrants).

Fee: \$25.00 for registration or for more information visit the website at [youth.ellington-ct.gov](http://youth.ellington-ct.gov) or come into our office.

### DECIDE TO BE KIND

#### Community Meeting

Meeting: September 21 at 7:30 pm at 31 Arbor Way

Join us for our first fall Decide to Be Kind meeting on Wednesday, September 21 at 7:30 pm at Ellington Youth Services, 31 Arbor Way, to discuss ways to come together to encourage kindness in our community. The Decide to Be Kind committee was formed in the summer of 2015 by Ellington Youth Services and the Council for Developing Positive Youth Culture (DPYC) with a mission to provide inspiration, education and resources to build a kinder and more compassionate community. Our hope is that individuals, families, and businesses will have a growing awareness of what happens when we consistently practice and cultivate kindness in our everyday lives by: being kind on social media, practicing good sportsmanship, celebrating diversity, being understanding of mental health issues and being kind, friendly, and compassionate in our daily interactions. Visit the website [decidetobekind.com](http://decidetobekind.com) for more information.

## PARENTS SUPPORTING PARENTS WITH CHILDREN WITH SPECIAL NEEDS

This peer led group will support each other in helping to advocate for their children. # Ellington Conservation Commission

**Rebecca Quarno, Chairman  
Ellington Planning Department**

Ellington has teamed up with Eversource to bring you Home Energy Solutions, an Energize Connecticut(SM) program designed to save you money and reduce energy needs. A certified and insured contractor is available to visit your home to evaluate energy use and make on-the-spot improvements that will lower your energy bills. During the visit, the average

household receives about \$1,000 of products and services for just \$124. And, after the visit, most customers save about \$200 every year by reducing energy consumption. Residential customers meeting income-eligibility requirements may qualify for assistance.

Also, participating in Home Energy Solutions during 2016 makes Ellington eligible for grants to pursue energy-saving projects. Plus, for every Home Energy Solutions visit, our partnering contractors (Aiello Home Services, Energy Efficiency Solutions, and Fox Heating) will

donate \$25 to the Ellington Fuel Bank. A direct mailer regarding the Home Energy Solutions program is scheduled to be sent to your home shortly. Also, the Ellington Conservation Commission will host a booth at the Ellington Farmers' Market on September 17, 2016. Please consider visiting the booth and meeting representatives from Eversource and partnering contractors to learn more about Home Energy Solutions. To learn more or schedule a Home Energy Solutions appointment please call 877-947-3873 or visit [EnergizeCT.com/HES](http://EnergizeCT.com/HES).

Please review these Safety Tips from Eversource. For more information visit [ellington-ct.gov](http://ellington-ct.gov); search Eversource or visit [Eversource.com](http://Eversource.com).

**PROTECT YOURSELF FROM SCAMS**

Across New England and the nation, modern scam artists are using sophisticated and intimidating tactics. Many scam artists are threatening customers in person, over the phone and online with disconnection of their electric or natural gas service if they don't make an immediate payment. Another tactic is to offer a bill credit or discounted rate if a customer provides their account number or other information. Protect yourself by being vigilant, staying informed and guarding your personal information. If something seems suspicious, call us immediately toll-free at 800-286-2000. Also be sure to report this to your local law enforcement.

**CALL BEFORE YOU DIG**

Building an addition? Installing a fence? Planting a tree? Before you or your contractor begin digging, make sure you know where all the underground utility lines are around your property. Connecticut state law requires that you contact Call Before You Dig at 811 or 800-922-4455 at least 48 business hours prior to digging. Once notified, Call Before You Dig will contact member utilities to come to your site and mark underground utility wires, cables and pipelines. This free service can protect you from unintentionally hitting underground utility lines, which can cause harm to you and those around you, disrupt service to an

entire neighborhood and potentially make you liable for fines and repair costs. Visit [Call Before You Dig](http://Call Before You Dig) for more information. Please note, utility companies will only mark the facilities they own or maintain. Private underground pipes and cables may not be owned or maintained by member utility companies. It is the responsibility of the property owner to investigate if any privately owned utilities are in the area. More information, including Private Utility Locator contractors, is available on the [Call Before You Dig](http://Call Before You Dig) website.

**ELECTRIC SAFETY TIPS**

Electricity is such an integral part of our daily lives that it can be easy to take it and its hidden dangers for granted. As a power provider, safety first and always is our number one priority, both for our customers and our employees. The following tips will help you and your family use electricity safely.

**Electrical safety basics:**

Your body can be a conductor of electricity. Take extra care to avoid touching bare wires, faulty appliances, or electrical outlets. If you are unsure whether a wire or electrical appliance is energized, always assume it is. In the event that a loved one is injured in an electrical accident, immediately unplug or shut off the power source. Never touch someone who is in contact with an electrical current until you know for certain that the power source has been shut off or unplugged. Keep an all-purpose fire extinguisher on every floor of your home. Never attempt to put out an electrical fire with water. Water and electricity don't mix. Keep water and wet hands away from

electricity and all electrical appliances when in use.

Install outlets with a ground fault circuit interrupter (GFCI) in rooms where water and moisture are present, such as in a kitchen or bathroom.

Use electrical cords wisely.

Regularly check wires and extension cords for signs of wear, and repair or replace those that are frayed or cracked.

Prolonged use of extension cords can cause overheating and fire. Cords should never be nailed or stapled to a wall or placed under carpeting.

Electrical safety throughout your home:

Cover unused wall outlets with plastic safety caps to protect small children and pets. Never overload outlets by using multiple adapters or power strips, which can result in a fire. Unplug appliances while cleaning or repairing them.

During a lightning storm, turn off your television set or other appliances.

**GAS SAFETY TIPS: SMELL OF GAS**

Natural gas is one of the safest sources of energy available. Natural gas is non-toxic, colorless, tasteless, and odorless. A distinctive, pungent odor, similar to rotten eggs, is added so that you can recognize it easily and know if natural gas is escaping.

If you smell gas:

MOVE to a safe location

DO NOT smoke, strike a match, use telephones including cell phones, switch on/off appliances, lights or even a flashlight in the area where you smell gas.

These items can produce sparks that might ignite the gas and cause an explosion.

DO NOT assume that someone else will report the condition.

CALL Eversource immediately at 877-944-5325. Provide the exact location, including cross streets.

### **CARBON MONOXIDE POISONING**

Whether you heat your home with oil, natural gas, propane, coal or wood, your heating system can produce carbon monoxide (CO) if it is not working properly or inadequately vented.

Carbon monoxide is odorless, colorless and tasteless but very toxic. Signs indicating the presence of carbon monoxide in the home include stuffy, stale or smelly air, very high humidity or soot coming from a fireplace or heating system. Carbon monoxide is also produced from internal combustion devices such as cars and small gasoline engines.

What are the symptoms of carbon monoxide poisoning? The symptoms of carbon monoxide poisoning are often confused with those of influenza, with the highest incidence of poisoning occurs

during the flu season. Symptoms can include headaches, dizziness, nausea, unclear thinking, shortness of breath, weakness, vision problems, and loss of muscle control. High concentrations of carbon monoxide can lead to unconsciousness, brain damage or death. However, victims may experience only one or a few of these symptoms - if any. You should suspect the presence of carbon monoxide if symptoms tend to disappear when you leave the building.

What should you do if you suspect the presence of carbon monoxide? Alert your family, employees or workers and exit the area immediately. Open the windows and doors on your way out, if you are able to do so. If carbon monoxide is detected by your alarm, exit the area immediately, and call 911 to notify your local fire department. Have your heating equipment inspected by your fuel supplier or a licensed heating contractor to ensure that it is in good working order. How can

you reduce the risk of carbon monoxide poisoning in the home? "Tune up" your heating system annually by using a licensed heating contractor, your gas company, or a fuel supplier to ensure it is in good working order. This check should be done before the busy heating season. Carbon monoxide detectors should also be installed on every floor of your home, and working properly. Also check your chimney or vent pipes for blockage annually. If a blockage exists, contact a professional chimney sweep immediately. Similarly, make sure your home is adequately ventilated, especially if you have recently insulated or renovated your home, or enclosed your heating system. In the winter, clear any snow or ice that accumulates around vents, gas meters, regulator vents and any other outdoor piping.

### **LIBRARY HOURS**

Monday-Thursday / 10 am - 8 pm

Friday- Saturday / 10 am - 5 pm, Sunday / 1 pm - 5 pm

Check the Library website for holiday closing dates.

### **COOLNERD KIOSK**

Are you a fan of ebooks, audiobooks, downloadable movies and music? If so, you'll want to visit us at the end of August when the downloading process will become even simpler with our soon-to-be-delivered CoolNerd Kiosk. Thanks to a generous donation from The Friends of the Library, we will become the very first

library in Connecticut to own this innovative new apparatus. By using the Kiosk, you will now be able to search all of our digital platforms concurrently, instead of having to check OverDrive, then OneClick Digital, then Hoopla for the ebook that you want. You will be able to plug your device, be it an iPhone, Android or Kindle, right into the Kiosk and simultaneously search all of our digital platforms, then download the content. Come on in and try it out; we think you're going to love it!

### **WE WANT YOUR GAMES**

Although the vast majority of items that we loan out on a daily basis are books and DVDs, we are always considering other items that our patrons might enjoy borrowing. To that end we recently asked for donations of your old cake pans and you responded magnificently! We have a great collection of over 100 cake pans! Now we are back with a new request- we'd love to have those board games and card games that you are no longer using. We will set them up for loan just as we do with all of our other materials, so you might just get a chance to try out a game you've never seen before! Please be sure that the games you donate are in good condition and have all their parts and pieces. Thank you in advance. We also hope to start an afternoon or early evening board gaming group for various ages, depending on response; if you are interested in participating, please see the Reference Librarian or email [hallmlib@ellington-ct.gov](mailto:hallmlib@ellington-ct.gov) to provide input as to days and times that will work best.

## SEWING MACHINES

One of the newer trends in libraries is the creation of “Maker-spaces”. While some Makerspaces focus on new technologies, others are geared towards providing a space where people can get together to socialize and create in a relaxed setting. We hope to soon offer more “maker” experiences at HML; we envision a fun place for you to drop in and make cool stuff. Later in the year we will be looking for donations of craft items- not yet please, as we don't have any storage space - but for now we'd like to request your unused sewing machines. Any machines you donate must be portable and in good working condition. We'll also take crafting tools such as scrapbooking cutters, cricuts, dremel drills, etc. Thank you!

## JOBNOW ONLINE SERVICE

## TEENS AT HALL MEMORIAL LIBRARY

Teens in the library this summer had some fun! Weekly craft tables included making glitter magnets, painting chopsticks and dragon eye crystals and learning how to make three different kinds of bookmarks. Teens visiting the library found plenty of things to do. Some of them volunteered their time to help out in the Children's Department and during movie days. Several teens learned how to make clay and glitter pens and walked out very happy with their creations. Lots of teens enjoyed the two food programs we had over the summer. They learned how to make three different kinds of salsa (and sample them, of course!)

during "Salsa Making" and a Wilton cake instructor showed them how to frost and decorate specialty cookies at a "Cookie Decorating" workshop. The summer reading program wrapped up with ten lucky teens winning gift cards to various shops and restaurants in the area. We had a summer full of fun, friends, food, and books. Many summer reading books, were taken out and enjoyed over the summer. Great job, Ellington teens!

Teens at the Library made beautiful beaded clay pens this summer.

## FROM THE CHILDREN'S DEPARTMENT

Allan's Angels Therapy Dogs will visit the Hall Memorial Library this fall on these dates: Saturday, September 10 & 24, October 8, November 19, and December 10. Children ages 5 to 12 years old are welcome to visit the library on these days and spend individual time reading to a dog of their choice. Allan's Angels have been coming to our library since the summer of 2011. They are friendly, well-trained dogs who like nothing better than to spend a Saturday morning listening to stories read by children who enjoy their company. Each child will read for about 10 minutes between 10:30 - 11:30 am on a first-come, first-serve basis. Online registration is recommended and is on-going. This program is free and open to the public.

**TRUCK DAY** is scheduled for Saturday, September 17 beginning at 10:00 until 12:00 pm in the library parking lot. Children of all ages are welcome to attend, climb up into the trucks, and toot the horns. Lots of trucks are expected to attend, from Fire Trucks to Dump Trucks. Come join in the fun!

**PRESCHOOL STORY HOURS** will resume in September. For 3-5 year olds, a 45-minute program will be held on Tuesdays from 10:15-11:00. This story hour begins September 13 and continues until November 22, with a two-week break on October 11 and 18. Stories, songs and movement activities are included in this program. For 2-½ year olds, with an adult, a 30-minute program will be held on Fridays 10:15-10:45. This story hour begins September 16 and continues until November 4, with a two-week break on October 7 and 14. This program includes stories, songs, movement activities and a weekly craft that relates to the story or to the season of the year. Online registration is required for both of these programs and will begin September 1. For more information or to register call the Library at 860-870-3160 or go to our website at [library.ellington-ct.gov](http://library.ellington-ct.gov).

**CHRISTMAS ORNAMENT WORKSHOP** will take place on Saturday, December 3, in the upstairs Children's Program Room with three sessions offered: 10:00-10:30; 10:40-11:10; or 11:20-11:50. Children ages 3-12 years old are welcome to attend

this annual event where each participant makes 4 or 5 Christmas ornaments to take home and use for the holidays. Free tickets to the event will be available beginning November 21 at the Children's Circulation Desk. As with all Library programs, this one is free and open to the public.

#### **FRIENDS OF THE LIBRARY**

The Friends of the Library Fall Book Sale will be held October 14 and 15, 10:00 am-5:45 pm, and October 16, 1:00 pm-4:45 pm. Choose from hundreds of great books for all ages and fill a bag for \$9.00! The Book Cellar, the Friends of the Library's used

book store, is open Monday 6:30-8:00 pm, Thursday 2:30-4:30 pm, Saturday 10 am-12 pm and beginning in October, Sundays, 2:00-4pm. The Friends of the Library are always looking to expand stock and add new subject areas, so donations are always gratefully accepted. They have added an area entitled Teacher Resources/Study Aids. This also includes some older edition college textbooks and computer software manuals. There is an extensive collection of Young Adult books. In order to keep you informed about Friends activities, there is a new bulletin board just as you enter HML that will contain all current information regarding the Friends.

## **Department of Public Works**

**Timothy Webb**

**Director of Public Works/WPCA Administrator**

Fall is upon us and the Public Works Department is getting ready for winter. The following are events and reminders for the upcoming fall season.

**SECURE YOUR MAILBOX** – Residents are asked to make sure their mailboxes are secured and sturdy before the winter snow season begins. Mailboxes damaged by the snow load will not be repaired by the Town.

**WINTER SAND** – Sand will be available to residents throughout the winter months. The pile is located at the Town Garage, 21 Main Street on the Firehouse side. This is for residents only; no contractors.

**BAGGED LEAF COLLECTION** – Bagged leaves will be picked up the week of November 21, 2016. Leaves must be put in paper bags and pick up will follow the same schedule as your trash collection. Leaves may also be brought to the Hoffman Road Brush Drop off area. Plastic bags must be emptied at the drop off area.

**HOFFMAN ROAD BRUSH DROP OFF** – The brush drop off center is open Saturdays 9 am-4 pm during the month of September. It is open Tuesday and Thursday 1 pm-4 pm and Saturday 9 am-4 pm during the months of October and November. It will be closed on Thanksgiving weekend. The drop off center is scheduled to close for the winter at 4 pm on December 3, 2016. Items accepted are leaves, brush, firewood, and tree trunks. You may call Harvest New England at 860-871-7442 for items not accepted at this drop off center. Grass clippings are not accepted.

**HOUSEHOLD HAZARDOUS WASTE** – Residents are reminded that household hazardous waste, including paint, must be brought to the MIDNEROC collection center located at 57 Hancock Road in Willington. The site is open the 1st and 3rd Saturday of each month through November 5. It will be closed Saturday, September 3, 2016.

At work resurfacing

Fun at the Open House

**BULKY WASTE** – To schedule a bulky waste pick-up, please call All American Waste at 860-289-7850. For information regarding accepted items, please visit the website at [Ellington-ct.gov](http://Ellington-ct.gov); search "Bulky Waste Pickup Information."

#### **OPEN HOUSE IS HELD AT THE DEPARTMENT OF PUBLIC WORKS**

The Public Works Department held an Open House on May 26, 2016. Children had the opportunity to climb aboard the trucks and plows to become familiar with the vehicles and equipment they see out on the road every day. We would like to thank Country Pure Foods, East Coast Sign and All American Waste for their donations of food and give-away items. We would also like to thank those residents who attended. A good time was had by all! If you missed the annual Open House this year, make sure you watch for the date in May 2017! We would love to see you there.

# Economic Development Commission

## SHOP ELLINGTON!

Sean Kelly, Chairman

When you shop locally, 68% of spending goes back to our community (Civic Economics). The Ellington Economic Development Commission created an electronic business directory for residents to access information regarding local goods and services and for businesses to create complimentary websites to help advertise and connect with patrons.

*Help support local businesses and Shop Ellington today.*

### INSTRUCTIONS

Patrons may scan the QR code to download the Shop Ellington app. Businesses must type the following URL into any online search and choose "For Business Owners" and "Claim Your Business" to create a micro-website. (<http://ellington-ct.gov/309/Shop-Ellington>)

For assistance with creating a micro-website, please contact the Ellington Planning Department at 860-870-3120 or email [planner@ellington-ct.gov](mailto:planner@ellington-ct.gov).

## Ellington Town Hall Hours

### Monday

8:30 am - 6:00 pm

### Tuesday, Wednesday, Thursday

8:30 am - 4:00 pm

### Friday

8:30 am - 1:30 pm

### HOLIDAY SCHEDULE

Town Offices will be closed on the following dates

Monday, September 5 – Labor Day\*

Monday, October 10 – Columbus Day

Friday, November 11 – Veterans' Day

Wednesday, November 23 – Closing at noon

Thursday and Friday, November 24 and 25\* -  
Thanksgiving Holiday

\*There will be a one day delay in trash collection for these holidays.

Check the Library website for closing dates at [library.ellington-ct.gov](http://library.ellington-ct.gov).

# Recycling in Ellington

The Town contracts with the Materials Innovation & Recycling Authority (MIRA) for recycling processing services. In the past, MIRA has shared recycling revenue surpluses through an annual rebate. MIRA is unable to pay a recycling rebate for 2016; although revenues were sufficient to cover the cost of recycling, revenues were insufficient to provide a rebate. We would like to remind all residents to be diligent in disposing of their recycling waste as recycling generates revenue for the Town.

Visit our website to view the 2016 Recycling Guide and the 2016 Recycling Calendar [[ellington-ct.gov](http://ellington-ct.gov); search recycling].

## Parkinson's Exercise Program Shows Great Results

There are presently 12 classes per week in 4 locations in CT with almost 50 Parkinson's clients participating. Results have been astounding. Clients have improved gait, balance, fine motor control, explosive movement, attitude, self-image, and fatigue. Some have lowered their dosage of their medications.

## Ellington Public Schools Ascending

**Dr. Scott V. Nicol, Superintendent**

**Tweet @SuperNicol**

To ascend is to rise. In rising together, the collective experiences of Ellington Public Schools' students serve as evidence of a school system that values opportunity for all. In the 2016-2017 school year, we intend to improve upon the sharing of these experiences, new opportunities and upcoming ventures.

Shortly after Labor Day weekend, the Ellington Public Schools (EPS) will launch a redesigned website. We appreciate Finalsite, a company owned by Ellington resident and EPS parent Jon Moser, for their professional service. The website will feature an application known as a "mash-up" page, which will display various social media feeds (Twitter, Facebook, Instagram, etc.) that EPS staff (and eventually students) generate. These social media feeds will provide visitors to the website with video and images of student experiences ranging from musical concerts to athletic competitions to academic achievement celebrations. Also, keep an eye out for the launching of the Ellington Board of Education (EBOE) Facebook page. This page will post EBOE meeting agendas, minutes and other Board related activities making it easier for citizens to be informed of and contribute to Ellington Board of Education governing practices.

The new district website will also promote the following Ellington Public Schools news:

Ellington High School (EHS) will implement 1:1 Chromebook devices for all 9th graders. This is part of a long-term K-12 technology plan that already has provided all 7th and 8th grade middle school students with 1:1 access.

EHS will offer two new English electives, The Modern American Experience and The American Dream, adding to an already diverse set of English electives.

EHS will offer a new Advanced Placement (AP) Computer Science Principles course that introduces the foundational concepts of computer science and challenges students to explore how computing and technology impacts the world. EHS will be among the first high schools in the state to launch this course.

EPS will continue its development of student digital portfolios for every student grades 3 through 11. The digital portfolios highlight student learning with work samples and student reflection. In fact, part of the application process for many universities and colleges is the submission of digital portfolios.

Ellington Middle School (EMS) will continue into its second year of implementing student-led parent conferences. This conference model has received positive feedback from both parents and students because it allows students to take responsibility for their own academic growth.

Both Center and Crystal Lake Schools will benefit from an expanded instrumental music program as all Ellington 5th grade students remain in their neighborhood school.

New "Makerspaces" are being created at all three elementary schools and at EMS. Makerspaces are physical locations where students gather to share resources and knowledge, work on projects, and engage in creative problem solving.

Full-day kindergarten will be implemented in all three elementary schools.

The ascension of the Ellington Public Schools continues.

## Ellington Sprint Triathlon

The 2016 Ellington Sprint Triathlon was held on July 24, 2016 at Crystal Lake. A quality field of 96 registrants took part in this year's Sprint triathlon, with Michael Cooley, of Delmar, NY, taking the overall first place in a time of 59:50. Superb weather with a supportive crew of spectators made for an enjoyable special event, with added security/support from the Crystal Lake Fire Department and the Resident State Troopers' Office.

A sincere thank you to members of the Masonic Lodge of Ellington (Fayette Lodge No. 69) as well as state-wide members, who provided course setup and supervision for this event. Special thanks to Joy Bostick, Rob

Backman and Stephen Munz for their day-to-day, week-to-week, support in making this event happen, as well as our supporting sponsors: New Balance (South Windsor), The Trophy Shop (Vernon), Mountain Dairy (Storrs), Between Rounds (Vernon), Select Medical (Ellington), Pedal Power (Vernon), Costco, and Sam's Club. Watch for the 2017 event date!

The next 5K and 3K road race in Ellington will be held on October 29, 2016 beginning at Brookside Park.

Check the Parks and Recreation website for more information at [parksrec@ellington-ct.gov](mailto:parksrec@ellington-ct.gov) or call 860-870-3118 for more information.

# Ellington Resident State Trooper's Office

**Sergeant Brian Santa, Resident State Troopers' Supervisor**

The Ellington Resident Troopers have taught the Drug Abuse Resistance Education Program, commonly referred to as DARE, to the sixth grade students in this town for over fifteen years. The DARE mission is to teach students good decision-making skills to help them lead safe and healthy lives. There are ten lessons involved in the curriculum to include lesson on tobacco and alcohol, bullying, avoiding risky situations, communication skills, stress, and becoming a good citizen. Furthermore, the DARE Program allows the Troopers to build trust and a positive relationship with the children in the community. The DARE Program is very popular with the students and the teachers at Windermere School.

DARE Graduation with Resident State Troopers  
Tfc. Ron Richardson and Tpr. Brindiana Warena

Each year, over two hundred students participate in DARE at the Windermere School. At the end of the program, a DARE Graduation Ceremony is held. In addition to presenting each student with a DARE Certificate for successfully completing the program, we present a total of eight students with prizes as an award for being selected as the 1st, 2nd, and 3rd place essay and poster competition winners as well as one Honorable Mention. The prizes include a four-pack of passes for each 1st place winner to Six Flags New England, a four-pack of passes to Sonny's Place in Somers for 2nd place, and a four-pack of movie passes to Cinemark Theaters for 3rd place.

The Honorable Mention selectee is awarded gifts as provided by the two DARE Instructors, TFC Ronald Richardson and TPR Brindiana Warena.

This year's winners are as follows:

**Essay Competition**

- 1st - Emily Pincince
- 2nd - Fiona Budd
- 3rd - Tori Trantolo
- Honorable Mention - Jillian Donie

**Poster Competition**

- 1st - Ella Moser
- 2nd - Oliver Terranova
- 3rd - Maya Henry
- Honorable Mention - Easha Patel
